

TRIECA | 2017 CONFERENCE

Call for Poster Presentations

DATE:

March 22 & 23, 2017

HOST:

Toronto and Region Conservation and the Canadian Chapter of the International Erosion Control Association

LOCATION:

Pearson Convention Center 2638 Steeles Ave., E., Brampton, ON

ABSTRACT SUBMISSION:

Deadline: February 3, 2017

Submission must include:

Title: A title that summarizes your project relating to stormwater management and/or erosion and sediment control, or natural channel design.

Abstract: Please submit a summary of your project, which should not exceed one page, via <http://trieca.trca.info/studentposter/>

The following four items must be addressed in the body of your abstract:

1. Situation/problem or objective: Clear description of the technical issue and context or reason for work and how it is relevant to the industry.
2. Methodology: Detailed methods, procedures or testing are described.
3. Results: Sustained finding of resolution or attempt at resolution.
4. Lessons learned: Conclusion framed a take-away lessons or stated.

Incentive to Participate

The student with the top voted poster will win a complimentary conference pass to TRIECA 2018!

The first place winner will also be given the opportunity to publish an article in IECA's Environmental Connections Magazine.

All student poster representatives selected to present will receive a complimentary IECA student membership.

- Students selected to present their poster at the conference will receive a complimentary conference pass, valued at \$495.
- Expand your network and meet with industry professionals.
- Exposure to potential future employers.

Eligibility of Poster Submission

- Under-Graduate Students in final year of program.
- Post-Graduate Students in Masters or PhD programs.

Students selected for poster presentation will be notified by February 10, 2017, at which time additional details will be provided.
